VIA ELECTRONIC CASE FILING

Honorable Mark L. Wolf
United States District Court
United States Courthouse
1 Courthouse Way
Boston, MA 02210

Re: *Celltrion Healthcare Co., Ltd., and Celltrion, Inc., v. Janssen Biotech, Inc.*,
Case No. 1:14-cv-11613

Dear Judge Wolf:

We write on behalf of Celltrion to advise the Court that on August 8, Celltrion submitted to the U.S. Food & Drug Administration ("FDA") its application for licensure of Remsima as a biosimilar.

Celltrion will be prepared to answer questions the Court may have about its application and its effect on the pending motion to dismiss, either in writing if the Court so directs, or at the hearing on that motion, once scheduled.

Respectfully,

Richard de Bodo
